EXPERIENCE

Our couples who opt for full wedding planning service enjoy the added benefits of receiving unlimited support throughout the planning process including assistance with negotiating vendor and venue contracts, one-on-one private catering & cake taste testings, and a special personalized wedding gift from Sharibella Events.

PERSONAL ATTENTION

We provide our couples with the very best in personal attention to help put you at ease for your special day! Our pampering team is ready to give you a luxury massage and spa treatment session up to (4) weeks prior to your wedding day.

On the BIG day, we will appoint two of our top coordinators to assist you and your wedding party with getting prepared before your walk down the aisle .
